6X6 = 36

Make 36 contacts with stations located in 36 world wide locator fields. Each continent (EU, AS, AF, NA, SA, OC) requires 6 locators fields. Any mode and HF band is allowed. For example fields such as: JN, KN, PM, etc.

100 DX WWL

Make 100 contacts with 100 different 100 WWL fields. Any mode and HF band is allowed. For example fields such as JN, KN, PM.

WWL Squares

Contact 500 different WWL squares. Each of the 6 continents must have at least the following number of contacts: EU-150, AS-100, AF-50, NA-150, SA-50, OC-50. Any mode and HF band is allowed. Sample squares such as: JN89, KN54, PM34, etc.

50 WWL 6M

Make contacts on the 50MHz band with 50 different WWL squares located on your own continent. Any mode OK. Sample squares such as: JN89, KN66, PM70, etc.

144 WWL 2M

Make contacts on the 144MHz band with 144 different WWL squares located in your own continent. No use of repeaters. Any mode OK. Sample squares such as JN89, KN66, PM60, etc.

Satellite WWL

Contact 50 WWL squares via radioamateur satellite. Any mode or satellite is OK. Sample squares such as: JN89, KN66, PM90, etc.

-- OKDXF Series --

General Requirements:

GCR list and fee of 8 IRC, \$US8, 8€ or 60kc for OK stations. Apply to: Awards Manager, PO Box 73, 293 06 Kosmonosy, Czech Republic.

Member list at: http://www.okdxl.cz/e_seznam.htm

OKDXF CW Award

To encourage CW radio operations OKDXF issues award under following conditions:

1. Award is issued for 1000 CW contacts made during one year (outside contests) effective 1 January 2003.
2. Award is issued for postage only. This means 2 IRC for EU stations, 3 IRC outside EU.
3. Each participant who earns the award for three years in a row, will earn a mahogany plaque specially inscribed with their own call sign. In this case postage is paid by OKDXF.
4. The list of the 1000 CW contacts must be confirmed by two other licensed hams, for example as:

I confirm, that _____ made during year 200_ at least 1000 CW contacts outside contests.

Signature: _____ Call: _____ Date: _____

OKDX Foundation Award

Available to all stations who earn 150 points according to the following table:

Each QSO with OK5DX - each band = 5

Each QSO with a member of the OKDX Foundations = 2

Each QSO with a DXCC country during a OKDXF expedition = 15

Each QSO with more than 200 DXCC countries = 5

Each QSO with more than 250 DXCC countries = 10

Each QSO with more than 300 DXCC countries = 15

Contacts since 14 Jan 1994. List of OKDXF expeditions: ZA/OK5DX, ZA9A, 3V8BB, IH9/OK5DX, FO0/OK5DS, FO0/OK1VD, FO0/OK1KT, FO0/OK1TN, ZK1KTT, ZK1TNN, 5W0SZ, 5W0VD, 5W0VV, AH8K,, KH8/KF4MIW, 3D2KT, 3D2TN, 3D2CB, 3D2WC, 3D2WC/R, 3D2CB/R. E4/OK5DX, LA/OK5DX, OZ/OK5DX, SM/OK5DX, OH/OK5DX, KP2/OK5DX, KP2/OK1TN.

OK-QRP Award

Awarded to any licensed QRP station or SWL for confirmed contacts with 20 (10 for non-EU) members of the OK QRP club after 1 Jan 1984. Endorsement stickers for each 10 members (5 for non-EU). Issued for CW, SSB or mixed modes. A QSO with OK5SLP counts for two member contacts. All bands. Both stations must use QRP (CW maximum of 5W output or 10W input, SSB maximum output 10W or input 20W.) GCR list must include power used input/output which was used on both sides of the contact plus fee of 5 IRCs or 1 IRC for endorsement sticker plus SASE to award manager: Liboslav Procházka, Restoky 135, 53833 Trojovice, Czech Republic.

List of members may be found at: <http://www.qsl.net/okgrp>

Telegraphy Friends Club Series--

General Requirements: All contacts must be on 2-way CW. SWL OK. All OK/OL/OM may be used from 1-1-75 to 12-31-92. Only Czech Republic stations after 1-1-93. All bands, except as noted. WARC bands OK. Contacts with foreign licensees (OK8) and CEPT license holders (OK/DL6AAP/P etc) are OK. GCR OK. Fee for one award is \$US5, but for TFC members, it is \$US3. When applying for 2 awards at the same time, the fee is \$US5 or \$US3 for TFC members. Apply to: Jaroslav Formanek OK1DCE, U vodarny 398, 278 01 Kralupy nad Vlatou II, Czech Republic.

(Chg 10/2005)
